### Peavy for Governor 2026

#### This Is Your Campaign

The Peavy for Governor 2026 campaign belongs to the community. Not to a billionaire. Not to a political party. Not to a consulting firm. To the people who show up, make calls, register voters, host events, share posts, and cast their ballots on June 2, 2026.

There are 80 days between today and June 2. There are 25% of California voters who are still undecided. There are more than 10 million registered California voters who have not yet chosen a Governor. Every one of them is reachable. And the only way to reach them is with you.

Here is every way you can be part of this.

#### Step One - Register to Vote

The California voter registration deadline is May 19, 2026. If you are not registered you cannot vote on June 2. Register today at [registertovote.ca.gov](https://registertovote.ca.gov). It takes five minutes. It determines whether your voice counts on election day.

If you know someone who is not registered, share this link with them right now. Every unregistered California voter who registers before May 19 is a potential vote for real change.

#### Step Two - Learn How to Write In Ms. Peavy

Ms. Peavy is a write-in candidate. Her name will not be printed on the ballot. You must write it in. Here is exactly how to do it on June 2, 2026:

1. When you receive your Democratic Primary ballot, look for the Governor's race.

2. Find the write-in line at the bottom of the candidate list.

**3. Write in: Ms. Peavy**

4. Fill in the oval or bubble next to the write-in line completely.

5. Submit your ballot as normal.

If you have any questions about how to cast your write-in vote, contact us immediately at (424) 459-6503 or PeavyGovernorCali2026@gmail.com. We will walk you through it step by step.

**Volunteer**

Volunteers are the backbone of this campaign. We need people in every California city and county between now and June 2. No experience is required. All you need is the belief that California deserves better leadership.

Phone Banking: Call California voters from your home and tell them about Ms. Peavy. Scripts provided. Training provided. All you need is a phone.

Canvassing: Walk your neighborhood and talk to voters face to face. The most effective form of political outreach is a real conversation between real people.

Voter Registration: Help unregistered Californians register before the May 19 deadline. We provide materials and training.

Event Support: Help set up, run, and break down campaign events. Greet attendees, distribute materials, assist with voter registration on site.

Social Media: Post, share, comment, and tag every day. Every share reaches voters who have not heard this story yet. Teleange and AJ lead our social media team and they need reinforcements.

Translation: Speak Spanish, Cantonese, Mandarin, Tagalog, Vietnamese, Korean, or any other language spoken in California communities? We need you to help reach voters in their language.

Video and Photography: Help document the campaign with photos and video at events.

General Support: Have a skill we did not list? Tell us. We will find a way to use it.
